# Michael Hammer new Managing Director of Wieland Dental

**Michael Hammer takes over the management of Wieland Dental in Pforzheim. He succeeds Torsten Schwafert, who left the company at the end of February.**

Michael Hammer, who has extensive experience in the dental industry, will assume the position of Managing Director of Wieland Dental, headquartered in Pforzheim, starting 1 April 2014. In June 2003, Mr Hammer joined Candulor Dental GmbH (Germany) and was promoted to the position of Managing Director in 2005. Since January 2013, Mr Michael Hammer has filled the position of Managing Director of Candulor AG and has been responsible for the international business activities. In addition to his new function as Managing Director of Wieland Dental, Mr Hammer will continue in his position as Managing Director of Candulor AG.
